## FOOD DRIVE

Our yearly canned food drive will begin on Monday, November 15<sup>th</sup>. Please encourage your child to bring non-perishable items to help those who are less fortunate. The food collected will be donated to the local food bank at the Luther Service Center. The class which brings the most items will win a popcorn party.

## NO SCHOOL

We will be out of school November 24-26 for Thanksgiving Break.

## PICTURE RETAKES

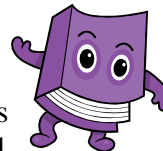

Picture retakes will be Tuesday, November 2<sup>nd</sup>. If your child needs to have their picture retaken, ask for a form in the school office. Also, remember to return the old pictures.

## THANK YOU!

Thank you to all of the people who donated goods, services, and time to the Luther All School Carnival. We appreciate so much the wonderful support from the Luther community.

## LIBRARY NEWS

The book fair is over and we would like to thank everyone who participated in its success.

Kelley Riha from the Metropolitan Library System will be here Wednesday, November 3<sup>rd</sup> to read to our students. She is great at teaching the students to use expression in their reading. We always enjoy her visits!

## MR. IRVINE'S CORNER

Welcome to a month filled with Thanksgiving! Thank you to all who participated in meeting with teachers during our Parent-Teacher Conferences. There is much to be gained in the education of your children when parents and teachers work together to encourage and foster success. If you were unable to meet with your child's teacher, please call the school to set up a phone conference or schedule another time to meet.

The cold and flu season is now starting. One of the most important actions to take against illness is hand washing. **Hands should be washed with soap and water for at least 20 seconds.** Another important action for students is to cough into the crook of their elbow. This helps keep germs off the hands and helps stop the spread of illness.

Daylight savings times ends Sunday, November 7<sup>th</sup>, so we can get that much needed time back. The seasons are changing and Oklahoma weather is very unpredictable. **Please be mindful of what your children are wearing to school so they are properly dressed for the day.**
